

## Peer2Peer T-shirts and sweatshirts

Staff at the sites received T-shirts or sweatshirts to improve recognition of the incredible work that peer workers do. The front design was chosen by the scale-up team through a contest which received submissions from peers at the sites. The winning design was created by Julia New love from KANDU. The team chose the quote "*If he asks you to walk with him one mile, walk with him two*" SJ-2021 for the back of the shirts.

The shirts were printed by peer workers at KANDU. For more information regarding printing please contact Josh at [joshuapelletier2@gmail.com](mailto:joshuapelletier2@gmail.com) or KANDU support line 778-594-1716
